

YASEEN RAHHAL DEVELOPER PRIVACY POLICY

This privacy policy applies to the app where it appears.

This Privacy Policy describes how the developer YASEEN RAHHAL treats customer personal information on the mobile app.

Your use of this app indicates you agree to our collection, use and disclosure of your information as described in this Privacy Policy.

Data Collection:

We collect information from and about you.

We collect contact information. For example, we collect your name, phone number and mailing address if you register with us.

We also collect email addresses and phone numbers. If you register we will also have you create a password.

We DO NOT collect any payment information or credit/debit cards numbers.

We collect information you submit online. This includes information you post when you interact with us on social media platforms.

We DO NOT collect other personal information about your like age or gender.

We DO NOT collect information about your device or location.

If you are using our apps, we may also collect your device identification number. If you use our app, we may look at how often you use the app.

We collect information directly from you. This includes when you create an account or buy a product. We also collect information if you contact customer service.

We DO NOT collect information passively. We DO NOT use any tracking tools like browser cookies or web beacons.

We DO NOT have any third parties who collect information about you.

We DO NOT get any information about you from any third party.

Data Usage:

We use information as disclosed and described here.

We use your information to provide you with products and services. This includes sending you product you purchase or processing a return.

We use your information to respond to your requests. This includes responding to customer inquiries.

We use your information to communicate with you about our relationship. We may communicate with you about your account or our relationship. This includes electronic messages (as SMS or push notifications) and calls about order status. We may also contact you about this Policy or our App Terms & Conditions.

We DO NOT use your information for marketing or advertising purposes.

We may provide you with information about new products and special offers. We may also serve you ads about products and offers. We might tell you about new features or updates.

We use information for security purposes. We may use your information to protect our company and our customers. We also use information to protect our app.

We use information as otherwise permitted by law or as we may notify you.

Data Share:

We share information with shipping companies.

We also share information with companies that send emails on our behalf.

We DO NOT share information with any other third party.

We will share information if we think we have to in order to comply with the law or to protect ourselves. This could include responding to a court order or subpoena.

It could also include sharing information if a government agency or investigatory body requests. We might share information when we are investigating a potential fraud. This could include fraud we think has occurred during a sweepstakes or promotion.

We may share information for other reasons we may describe to you.

We may send you transactional messages. These include responses and confirmations to your orders and actions.

Notes:

Our app is meant for adults. We do not knowingly collect personally identifiable data from children under 13. If you are a parent or legal guardian and think your child has given us information, you can write to us at the address listed at the end of this website Policy. Please mark your inquiries "COPPA Information Request." Parents, you can learn more about how to protect children's privacy on-line visiting: <https://www.consumer.ftc.gov/articles/0031-protecting-your-childs-privacy-online>.

We use standard security measures.

The Internet is not 100% secure. We cannot promise that your use of our Platform will be completely safe. We encourage you to use caution when using the Internet. A username and a password are needed to access certain areas of this app. It is your responsibility to protect your username and password.

You can contact us if you have questions.

If you have additional questions about our privacy practices you can write to us at:
agent@200brands.com

We may change this Policy.

From time to time, we may change our privacy policy. We will notify you of any material changes to our Policy as required by law. We will also post an updated

copy on our Platforms. Please check our Platforms periodically for updates.
